## Education

### **City, University of London**

*Master of Science in Human-Computer Interaction Design*

Relevant Modules: Interaction Design, Inclusive Design, Information Architecture

Sept. 2022 – Oct. 2023  
London, UK

### **Northeastern University**

*Bachelor of Science in Computer Science and Mathematics, Minor in Animation*

Relevant Modules: Human Computer Interaction, Software Development, Computer Graphics,  
2D and 4D Fundamentals, Animation Basics, Algorithms and Data Structures

Sept. 2015 – Dec. 2019  
Massachusetts, USA

Public Relations Chair for the Women in Technology Club

Jan. – Dec. 2017

## Skills

**Software:** Figma | Illustrator | Photoshop | InDesign | Sketch | InVision | Maya

**Languages:** JavaScript | HTML | CSS | C++ | Java | ReactJS

**Tools:** Github | Jira | Atom | OpenGL | Slack | Microsoft Office | Google Analytics

## Technical Experience

### **High Fidelity**

*Software Developer (Internship)*

- Expanded the existing glTF file importer in C++ to add support for: binary and embedded glTF files, skinning and weighing of models, blendshapes, basic animations, and loading of glTF models as avatars
- Planned feature releases alongside Project Managers by writing Jira tickets in an Agile setting
- Communicated with the QA Team to add to the existing JavaScript test suite as new features related to the glTF importer were implemented

Jan. – June 2019  
California, USA

### **KleerMail**

*Software Engineer (Internship)*

- Collaborated with the CEO and VP of Product to create demos and prototypes in Sketch, InVision, and InDesign
- Applied results from internal and user testing and feedback from clients to iteratively improve our product's usability and design
- Delivered product features, bug fixes, and updated tests utilizing JavaScript, HTML, and CSS

July – Dec. 2017  
Massachusetts, USA

## Other Experience

### **Auric Real Estate Management**

*Administrative Assistant*

- Learned systems and procedures as needed to efficiently complete any new responsibilities
- Processed payments and data monthly for accounts totalling hundreds of thousands of dollars
- Organized letters, bills, and other client related information for Senior Managers

Feb. 2020 – Dec. 2021  
New York, USA

### **Northeastern Global Experience Office**

*Senior Ambassador*

- Promoted due to knowledge of programmes and ability to work well with existing leadership
- Managed event and presentation schedules for a team of fifteen via email and Google Sheets
- Composed performance reviews of student ambassadors' informational presentations

July – Dec. 2019  
Massachusetts, USA

## Projects

**UI Challenges** | [raveenajain.github.io/uichallenges](https://raveenajain.github.io/uichallenges)

- Creates mobile and desktop-based UI projects in Figma inspired by online prompts
- Learns topics related to accessibility, typography, framing, and colour through prototype research and design

Apr. 2020 – Present

**BeeWell** | [github.com/raveenajain/BeeWell](https://github.com/raveenajain/BeeWell)

- Succeeded in working with a partner to build an interactive, web-based prototype utilizing JavaScript, HTML, and CSS for our Human Computer Interaction final project
- Developed multiple iterations of our product inclusive of low and high-fidelity prototypes
- Progressed our ideas based on feedback from user tests and heuristic evaluations

Oct. – Nov. 2019
